

Landbridge Darwin

Luxury Hotel

Community Newsletter 1 April 2017

Landbridge will be developing an exciting new luxury hotel in Darwin drawing on The Top End's rich local natural and cultural heritage. Designed to increase business, tourism and promote Darwin as the gateway to the wider Northern Territory, the hotel will connect the city to the water and provide a destination for business, leisure and lifestyle.

The Darwin Luxury Hotel development will:

- » Feature design that is inspired by the history, natural environment and cultural heritage of the Northern Territory, utilising climate-sensitive design elements such as breezeways and passive solar
- » Provide connections between the Waterfront, hotel and the city
- » Include an iconic rooftop restaurant and bar, accessible to the public, to enjoy the view over the Darwin waterfront
- » Feature rich, lushly-landscaped grounds that celebrate the unique Northern Territory environment
- » Deliver the precinct as a gateway for tourism and business travellers to the Northern Territory as well as a connected and activated precinct for the residents of Darwin
- » Offer a process for local contractors and businesses to benefit from construction.

What happens next?

We invite you to attend an information and feedback session for the first stages of the planning process for this landmark project.

A planning application for land subdivision and early works has been lodged and will go on public exhibition at the end of April.

The Community Information and Feedback Session will be held on Saturday, 6 May, 2017

Time: 9am to 11am
Location: Darwin Waterfront Campus
 Charles Darwin University
 21 Kitchener Dr, Darwin City
